SUPPLEMENTAL AMENDMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Entry of the instant supplemental amendment is respectfully requested under 37 CFR 1.111 (a)(2)(D) to allow entry of:

- a replacement Remarks section of the Amendment filed this date in response to the Office Action dated June 22, 2007; and
- annotated marked-up drawings as required by the examiner in the Office Action dated June 22, 2007.

The annotated marked-up drawings correspond to the replacement drawing sheets filed this date. Applicant's Representative mistakenly believed that annotated marked-up drawings were optional as per 37 CFR 1.121(d)(1). However, as the Examiner required the annotated marked-up drawings as per the Office Action dated June 22, 2007, the filing of annotated marked-up drawings became mandatory under 37 CFR 1.121(d)(2),

which Applicant's Representative recognized subsequent to the filing of the Amendment.
Applicant's Representative apologizes for any inconvenience.

Favorable action on this supplemental amendment is courteously solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Daniel Swirsky', written in a cursive style.
